

SENEGAL *Reaching the unreached* November 2020

CAUSE

Senegal is a predominantly Muslim nation in West Africa with less than 1% of the population claiming to be evangelical Christian and less than 10% Christian including Catholics. These people will slip into eternity without the gospel unless someone reaches them. We have an incredible opportunity to preach to tens of thousands through an open air crusade and other evangelistic efforts.

ORGANIZATION

Overflow Ministries exists to transform the world with the gospel of Jesus Christ. Our vision is to win one million souls to Christ. Our reach is global and includes outreaches, crusades and equipping in California and the nations of the world. Evangelist Zac Linton has spent over ten years preaching the gospel around the world. Additionally, this mission is being supported by One God, One Day, One Africa an umbrella organization that is commissioning evangelists to each nation in Africa for a historic push to see the entire continent blanketed with the gospel during November of 2020. They provide mentoring, oversight and guidance. The director of 1GDA has worked with Reinhard Bonnke and seen major gospel crusades successfully held for almost thirty years. We are mobilizing churches and leaders in Senegal to support this crusade.

EXPECTED IMPACT

We will hold a four day evangelistic gospel crusade in the capital city of Dakar. We expect to reach 20,000+ people each night during this campaign. The team will also minister in churches and schools during the two week mission. We anticipate thousands if not tens of thousands coming to Christ in addition to many healing miracles.

INVITATION

We believe God calls all of his followers to, "Go into all the world and make disciples of all nations." Some are called to go and some are called to sow. You can join us in this work by giving financially, by praying for the team, by announcing this to your network and church, or by coming on the trip as a participant.

Sincerely,

Zac Linton
