

SENEGAL *Reaching the Unreached* November 2020

OVERVIEW

Senegal is a predominantly Muslim nation in West Africa with only 1% Christian. We desire to impact the nation for Jesus Christ by holding a four day evangelistic gospel crusade in the capital city of Dakar. We expect to reach 20,000+ people each night during this campaign. The team will also minister in churches and schools during the two week mission. We anticipate thousands if not tens of thousands coming to Christ in addition to many healing miracles.

ORGANIZATION

Overflow Ministries exists to transform the world with the gospel of Jesus Christ. Our vision is to win one million souls to Christ. Our reach is global and includes outreaches, crusades and equipping in California and the nations of the world. Evangelist Zac Linton has spent over ten years preaching the gospel around the world. Additionally, this mission is being supported by One God, One Day, One Africa an umbrella organization that is commissioning evangelists to each nation in Africa for a historic push to see the entire continent blanketed with the gospel during November of 2020. The director of 1GDA has worked with Reinhard Bonnke and seen major gospel crusades successfully held for almost thirty years.

TEAM ROLE

The role of the team members will be to support Zac Linton and the churches of Senegal during this mission. Team members will get to pray for the sick, prophesy, minister to people during crusades and in churches, share testimonies, interact with children in schools and orphanages. The team members are expected to abide by all rules and respect authority. We are going to Senegal to represent Jesus and our conduct must reflect that. We are looking for people to come with an attitude to serve the people of Senegal. This trip will change your life as you see God work miracles *through you!*

COST

Per person: \$3,500 USD

This covers the two week trip expenses including airfare, hotel and meals, travel within the country, and contribution towards general ministry overhead. It *does not* include extra spending money for gifts, extra food, incidentals or other items. We will have time to do some sight seeing and visit local markets so participants are encouraged to bring spending money (\$200) and leave some extra room in their luggage.
